Hi Colin,

Information for tank and fence:

Tank: The tank in this link (<https://www.fuel-tank-shop.co.uk/2000-litre-bunded-oil-tank-harlequin-2000ite/p169>) is the type and size we intend to fit.

Fence: I can confirm this will be larch lap fencing with double gates for access (see updated drawing). The applicant would like for the fence to hide the tank for aesthetic reasons, therefore the panels will be standard 6ft high (1828mm), which easily hides the tank entirely.

Best Wishes,

Susie White
