Subject: Log Store, Holystone Grange - 20NP0053LBC & 20NP0047

Hi Colin,

Condition 8 of Listed Building Consent 20NP0053LBC and Condition 11 of Planning Consent 20NP0047 require the proposed Lantern Details to be submitted for approval.

I have attached a specification sheet for the proposed Lantern which is to be an ultraSky with a black powder coated aluminium frame, 2m x 1m with 25 degree pitch to all sides.

Please can you advise whether this email sufficient for the submission of details or if a form is required to be submitted for the discharge of conditions and a fee payable? (please forward a copy of the form if required).

Many thanks.

Kind regards,

Darren
