RE: Planning Application Consultation 21NP0019 Woolaw Farm, Rochester, Northumberland, NE19 1TB

Date:

21 April 2021 14:30:40

Dear Adam,

I have read the bat and barn owl report that was submitted with this application. From the information and photographs provided I agree that with the conclusion that there is little possibility of bats being present and affected by the demolition of these 3 buildings. There were also no signs of barn owls in the wooden barn.

I therefore have no objections to this application if the wooden barn is demolished outside the bird breeding season or it is checked for breeding birds before demolition.

Yours sincerely,

Gill Thompson
